Down At The Depot

Cont'd from Page 1

Skyliners from Bedford, Rocks Quartet, Liberty Youth Singers The Fellowship Four and Jackie, and Josephine White Hall of Pa. will be performing on Saturday and Sunday. As a special musical attraction, Len and Joelle Schneider of New York, Banjo & Guitar players known as "We The People" will present four one-hour shows on 19th century folk music and a program on the Sweeney banjo. They will demonstrate banjo building and a handmade replica of the Sweeney banjo will be put on display.

Arts & Crafts will be featured in and around the depot station with the Arts & Crafts Center members participating along with individual craftsmen from Appomattox, surrounding counties and out of state. There will be a variety of crafts and arts for sale in addition to many unique demonstrations by craftsmen. Approximately 40 craftsmen will be exhibiting and selling on Saturday and Sunday handmade crafts.

All historical exhibits will be displayed in the old Revco building. Special historical exhibits to be on display include the Bicentennial Tapestry, the New Spirit of '76 exhibit, and the Department of Highways and Transportation exhibit. The Lynchburg Chapter National Railway Historical will have a model train display featured. All exhibits will have a Bicentennial, Civil War or railroad related emphasis.

A two-car Special Train Display will be sponsored by the Roanoke Chapter NRHS featuring railroad exhibits and souvenirs. Movies of the "Days of the Big Railroad" will be shown both days in the old Appomattox Auto Parts building and railroad experts will be available to discuss trains and railroad heritage.

There will be recreation for the kiddies as well as adults. The W.O.W. Choo-Choo will be offering FREE rides courtesy of local businesses. A kiddie swing set will be offering rides as well as an "orphan" game display featuring different animals for the interest of the kiddies. "Special Friends" to greet the kiddies will be Sesame Street Characters "Bert", "Ernie", "Grover", and "Big Bird", Woodsey the Owl and Smokey the Bear will also be on hand both days.

Special attractions of the festival include Virginia's Bicentennial Mobile Youth Center which will feature works of local youth groups such as the 4-H, Boy Scouts, and Girl Scouts. The American Freedom Train will stop Sunday afternoon at the main st. station for short ceremonies and outside display of their train.

Mayor Pack will present on behalf of the Town of Appomattox a display case depicting the history of Appomattox to the Freedom Train as a mento for permanent display inside their train. For rail fans outside of Appomattox that wish to attend the festival by rail and for fans from Appomattox that wish to get into the railroad spirit and enjoy a view of the countryside from the tracks, AMTRACK'S Mountaineer 54 and 55 will be making flag stops at 1:55 p.m. eastbound to Farmville and 5:10 p.m. westbound to Lynchburg.

The hours of the festival will be from 10:00 a.m. until 5:00 p.m. on Saturday and 1:00 - 5:00 p.m. on Sunday. Even though the festival ends at 5:00 p.m. on Saturday downtown, that does not mean the fun has to end. Come join Ray Pillow, Doyle Holly and The Vanishing Breed for two country music performances at the Appomattox County High School. Show times will be 7:00p.m. and 9:30 p.m. Tickets may be purchased from any Jr. Woman's Club member or at Appomattox Drug Store before Saturday or you may purchase tickets at the door on Saturday night for a small additional cost.

Souvenir program books will be sold Saturday morning prior to the parade and thereafter during the festival for 50c. These books will include a program of all events to take place, the history of the festival, as well as pictures of all special events. You won't want to miss the opportunity to purchase one of these books as a souvenir. Also commerative plates have been photographed. This is a limited edition of 100 plates and a collector's item. The plates are numbered and bear the Historic Railroad Festival seal designed by Cliff Rhodenizer, Jr. of Appomattox. There is only a limited supply of plates available at this date. Anyone interested in ordering a plate before the festival, please contact Carolyn Thompson 352-7304 or Claudia Gordon 352-7724. Plates not sold before the festival will be sold near the information desk on main street.

Everyone is urged to come out and enjoy two fun-filled days of entertainment FREE for all ages. Make plans to spend the entire day. Plenty of "down at the depot" homecooked food will be available with picnic facilities.

OUTDOOR RECREATION COMMISSION SETS PUBLIC HEARING

RICHMOND- The Staff of the Virginia Commission of Outdoor Recreation will hold a Public Hearing on Thurs., Oct. 14, at 7:30 p.m. at Matoaca High School in Ettrick to receive statements concerning the designation of a section of the Appomattox River as a State Scenic River.

A preliminary report that has been prepared by the Staff of the Commission of Outdoor Recreation and the Scenic Appomattox River Committee says the Appomattox River "Does constitute a natural resource of statewide significance and it should become a component of the Virginia Scenic River System."

Among the tentative recommendations reached are the following:

(1) That the General Assembly designate the six-mile segment of the Appomattox between Lake Chesdin and the Route 96 Bridge crossing in the City of Petersburg as a State Scenic River to be administered by the Virginia Commission of Game and Inland Fisheries; and

(2) Existing land use controls be relied upon to provide the protection necessary to maintain the natural, scenic and historic character of the River.

COR Director Rob R. Blackmore, has emphasized; however, that the recommendations are tentative and are subject to modification as a result of public hearings.

The Scenic Rivers Act of 1970 established the Virginia Scenic River System and directed the Commission of Outdoor Recreation to study and recommend to the Governor and members of the General Assembly waterways to be considered for State designation.

Basically, scenic river legislation calls attention to the scenic, historic and natural qualities of a waterway and prevents the construction of dams without authorization by the General Assembly.

The recently completed study of the Appomattox River was done under the Commission of Outdoor Recreation's "New Approach to Scenic Rivers" program. Under this concept, much of the field work, as well as the information gathering task, was done by a local group - - in this case the Scenic Appomattox River Committee - under guidelines set by the Commission of Outdoor Recreation. COR supervised and assisted in the study whenever needed, and ultimately it will decide whether or not to recommend to the Governor and members of the General Assembly that the six-mile stretch of the Appomattox be designated as a State Scenic River.
